

Who are we?

One Way UK was founded in 1991 and is the family ministry of Ian, Jenny and David Jones. It has grown to become Europe's largest puppetry and creative arts resource centre, providing quality products and training to equip teachers, children's workers and ministers to use puppets in their area of work and ministry.

One Way UK is an interdenominational ministry committed to spreading the Gospel.

Training Days

- Include performances and demonstrations on how to use various types of puppet
- Basic and advanced puppet manipulation skills
- How to start a puppet ministry team
- Resources available for purchase
- A fun and practical day suitable for adults and children alike!

Members of churches can gather together to be taught puppetry techniques. Usually training is held on Saturdays in key locations and is open to all denominations.
